San Francisco, CA 94105

Attention: Ms. Sue Kiser

Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of the following amendment to the Southern California Association of Governments' (SCAG) 2006/07-2011/12 Federal Transportation Improvement Program (FTIP):

No. Description

13 State, Local and Transit Elements

- The amendment includes projects from Imperial, Los Angeles, Orange, Riverside and San Bernardino Counties. The amendment revises descriptions of these projects to be consistent with the SCAG's 2008 Regional Transportation Plan (RTP).

See Enclosure.

SCAG has certified that the amendment is consistent with the RTP, is consistent with the regional emission analysis, does not affect timely implementation of the transportation control measures, and meets the requirements of public involvement procedures adopted by SCAG.

Pursuant to the authority delegated to me, I approve SCAG's Amendment No. 13. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2007 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Mr. Gene K. Fong/Mr. Leslie T. Rogers
